## First Fight: The Northern Japanese Commander and the Page

COME ON, IT'S  
A SIMPLE LITTLE  
CONVOY.

IT'S NOT  
NECESSARILY  
SOMEONE AS  
ELEGANT.

What is "Column"?  
It's the Roman word for  
Column or Pillar.

The word seems  
to have originated  
from Latin.

The Northern  
Defense Commander  
**Duke Masamune!!**

Without further ado,  
we give you the story you  
should never forget...

**FIRST BATTLE:  
COMMANDER AND  
THE PAGE**

THE STAR OF  
THE SHOWS

Commander  
of the Northern  
Defense  
Force

How AMAZING!  
An expert from  
the Minamoto  
side!

Whoa! It's  
pale...dude or  
Zahradin! He  
really likes looking  
at shiny, flashy  
things.

Also known  
as the Rising  
Dragon or the  
Chō-Ryū  
Dragon!

The character  
is modeled after  
Joan d'Arc

It's a  
reference!

Like a dragon, the character is a Chō-Ryū dragon.

Because back then  
the problems of pages  
were quite interesting

How Masamune  
managed to  
overcome  
the  
problem

Commander  
of the Northern  
Defense  
Force

were left out  
because there  
were too many

The reasons why he  
was so popular...

Pages:

Many of those who work in the world's vicinity are boys. They're all well-mannered young men, taught martial arts and proper etiquette, who work under the world as their military guard. Aside from that, they're also his "partners." This is where the problem begins...

Back then, male homosexuality was not uncommon. (These pages, or low class samurai, were called *Dogokopu*.)

During a full of a long battle, the world would get these boys to become their partners and accompany them on "walks", satisfying their desires. (The pages would dress as beautiful girls, of course.)

Remember: Bringing women with them to war was prohibited, so it couldn't be helped. ♡

And it appears that there's a letter addressed to a page.

Even the great Sengoku Commander isn't completely unrelated to this story.

The representative,  
Tohoku Commander,  
Oosaki Yoshitaka!!!

After the letter  
was approved, it was  
a small matter

At the time,  
pages had a lot  
of problems.

WAGE TO  
MEET YOU

Actually,  
Museum  
here was also  
fought over.

Can't find  
Lakshmi

There were  
people who  
killed entire  
page families  
at once...

The story  
doesn't end  
here...

How say this  
was the night  
which brought  
along Oosaki's  
downfall

SCARY!

He doesn't  
own a page  
named  
Gentaro

WESD 23 400TH  
ANNIVERSARY FOR HIS  
CASTLE'S COMPLETION  
CONGRATS TAYLOR!!!

He then  
returned to  
Hemel Hempstead

WHAT THE  
HELL, WAG?  
HOW COME?  
YOU'RE  
SUPPOSED  
TO -SLEEP-  
GAY? NOT  
-SLEEP-  
THAT?

YOU  
STUPID  
-SLEEP-  
IS

The Gengoku Commanders got some serious statements!

Even though something happened with the page is happening to think about doing it with the system, the Gengoku Commanders will in addition with the boys.

The hardships of the page starts for the guy Gengoku (Formerly known as Koushiki Gengoku)

who should I play with today?
